V1. im searchin around, for a life of my own,
im sick of livin in your dirty shell,
your thick little shell, with all your nasty little secrets
im done with that shit, im done with you

C. this bitch is gonna be unhearted by the time im
done,
shes gonna be lieing cold and speachless, not knowing
how to sound.
shes gonna freak out the second she walks off the
ground, shes not ready for this world
shes not ready for you
this bitch is so unhearted.

V2. so why dont you, go and fuck to someone else
you've been sleepin around right up until now,
so why are you kidding yourself that im gonna forgive
you, forgive you?
your fuckin me up, your freakin me out
im tryna break out but your gettin me down
just fuck right off, i wanna keep myn tonight

C.this bitch is gonna be unhearted by the time im done,
shes gonna be lieing cold and speachless, not knowing
how to sound.
shes gonna freak out the second she walks off the
ground, shes not ready for this world
shes not ready for you
this bitch is so unhearted.

your textin me

dont mean im gonna come crawlin back!!

C.this bitch is gonna be unhearted by the time im done,
shes gonna be lieing cold and speachless, not knowing
how to sound.

shes gonna freak out the second she walks off the
ground, shes not ready for this world
shes not ready for you
this bitch is so unhearted.
