Everybody told me
Everybody told me that this would happen
Had even one I believed
In one I believed that you were right

Iâ'm so caught up
Caught up in a world that I cut you out of
Now Iâ'm hating myself, Iâ'm hating myself
I never shouldâ've shut you out

We are the walking dead
Swallow the lives we fed
Uncover your eyes, uncover your eyes
Uncover the truth and youâ'll realize

Weâ're hanging by a thread
We are the walking dead

It might take some time
But I really think we could start things over
Take a look at our lives
Take a look at how fucked up weâ've become

In your blood-shut eyes
All I see is pain and devastation
And now Iâ'm hating myself, Iâ'm hating myself
I never shouldâ've shut you out

We are the walking dead
Swallow the lives we fed
Uncover your eyes, uncover your eyes
Uncover the truth and youâ'll realize

Weâ're hanging by a thread
We are the walking dead

Can anything bring us back to life?
Iâ'm ready to make us right
Can anything bring us back to life?
Iâ'm ready to make us right
âCause further that weâ're falling apart
The more that it breaks my heart

We are the walking dead
Swallow the lives we fed
Uncover your eyes, uncover your eyes
Uncover the truth and you'll realize

We're hanging by a thread
We are the walking dead
Uncover your eyes, uncover your eyes
Uncover the truth and you'll realize

We are the walking dead
Swallow the lives we fed
Uncover your eyes, uncover your eyes
Uncover the truth and you'll realize

We're hanging by a thread
We are the walking dead

We are the walking dead
