Wish I could see you for one last time
Wish I could say goodbye to you
It's hard to deal with you dying
It's time to share a goodbye to you

Bloody faced
Kissing death
Walking through barbed wire

I'll let you go
Let me go
Digging through myself

I would die
Die for you
I'd walk right through barbed wire

Good luck in your next life
Walk as tall as the trees
Be gentle as spring winds
And have the warmth of summer sun

Bloody faced
Kissing Death
Walking through barbed wire

I'll let you go
Let me go
Digging through myself

I would die
Die for you
I'd walk right through barbed wire

I blame myself
For your death
It's tearing me apart

Let you go
Let me go
Digging through myself

Bloody faced
Kissing death
Walking through barbed wire.
