"Wanna Be Loved"

Visit "[Wanna Be Loved](#)" on MotoLyrics.com

Listen up
Turn it up
and rock it out.
Party On
I wanna hear you scream and shout
This is real
as real as it gets
I came to get down and get some fucking respect.

Taking it back to a hardcore level
You better be ready put your pedal to the metal.

Taking it back to a hardcore level
You better be ready put your pedal to the metal.

GO!

Woahhh
I never give in
Woahhh
I never give up
Woahhh
I never give in
I just wanna be, wanna be loved.

Woahhh
I never give in
Woahhh
I never give up
Woahhh
I never give in
I just wanna be, wanna be loved

I want domination
I want your submission
I see you're not resisting
To this temptation.

I got one confession
I love deprevation
I gotta jet black heart
It's all fucked up

and it's falling apart.

Woahhh
I never give in
Woahhh
I never give up
Woahhh
I never give in
I just wanna be, wanna be loved.

Woahhh
I never give in
Woahhh
I never give up
Woahhh
I never give in
I just wanna be, wanna be loved.

I got another confession
I fell to temptation
and there is no question
there was some connection.

I gotta follow my heart

No matter how far
I gotta roll the dice
Never look back
and never think twice.

Woahhh
I never give in
Woahhh
I never give up
Woahhh
I never give in
I just wanna be, wanna be loved.

Woahhh
I never give in
Woahhh
I never give up
Woahhh
I never give in
I just wanna be, wanna be loved.

Take the past
Burn it up and let it go
Carry on
I'm stronger than you'll ever know
That's the deal

You get no respect
You're gonna get charged
You better watch your fucking neck

Take the past
Burn it up and let it go
Carry on
I'm stronger than you'll ever know
That's the deal
You get no respect
You're gonna get charged
You better watch your fucking neck

Woahhh
I never give in
Woahhh
I never give up
Woahhh
I never give in
I just wanna be, wanna be loved.

Woahhh
I never give in
Woahhh
I never give up
Woahhh
I never give in
I just wanna be, wanna be loved.

Woahhh
(Take the past
Burn it up and let it go.)
I never give in
Woahhh
(Take the past
Burn it up and let it go))
I never give up
Woahhh
I never give in
I just wanna be, wanna be loved.
