(Verse)

I breathe, I breathe the truth
It's not you, I don't need your complications
It's all you offer

(Pre-Chorus)

Fuck that, I don't need that
You will never defy me
Fuck that, I don't need that
You will never complete me
Fuck that I don't need that
You will never controll me
Fuck that, I don't need that
You will never break me down

(Chorus)

I cannot belive in you any longer(any longer, I am stronger)
I cannot belive in you any longer (any longer, I am stronger than you)

(Verse)

You are empty, you are guilty, you are dead
Dead to me, never looking back
I will leave you behind, rusted, lost in time.

(Pre-Chorus)

Fuck that, I don't need that
You will never defy me
Fuck that, I don't need that
You will never complete me
Fuck that I don't need that
You will never controll me
Fuck that, I don't need that
You will never break me down

(Chorus)

I cannot belive in you any longer(any longer, I am stronger)
I cannot belive in you any longer (any longer, I am stronger than you)

(Bridge)

You, pull me under, now I'm under
You, ripped my heart out, but now I'm well
You, stole my soul, but now I'm well

Fuck that

(Chorus)

I cannot believe in you any longer (any longer, I am
stronger)
I cannot believe in you any longer (any longer, I am
stronger than you)

(Outro)

I'm alive (I am stronger than you) (x4)
I'm stronger than you (x2)
