This is the moment that I've feared the most  
Helplessly watching as we turn to ghosts  
Is it over ?  
Tell me if it's over

This is the hardest thing I've ever done  
Hopelessly waiting as you turn and run  
Is it over ?  
Is it really over ?

I promised you that I would change  
Then I broke it in a million ways  
I alone take the blame  
While you take everything...

Why can't we start this over ?  
What have we done to us ?  
You say that you need closure  
Are you just giving up on us ?

I refuse to fade away  
As you're trying to forget me  
Take my heart and walk away  
Like you wish you never met me

Now that I know that you're not on my side  
What good is love if it's always denied  
Is it over ?  
Is it really over ?

I swore to God that I could change  
But I let you down a million ways  
I alone take the blame  
While you take everything...

Why can't we start this over ?  
What have we done to us ?  
You say that you need closure  
Are you just giving up on us ?

I refuse to fade away  
As you're trying to forget me

Take my heart and walk away  
Like you wish you never met me

Like you wish you never met me  
Like you wish you never met me  
Like you wish you never met me  
Do you wish you never met me ?

Why can't we start this over ?  
What have we done to us ?  
You say that you need closure  
Are you just giving up ?!

Why can't we start this over ?  
What have we done to us ?  
You say that you need closure  
Are you just giving up on us ?

I refuse to fade away  
As you're trying to forget me  
Take my heart and walk away  
Like you wish you never met me

I refuse to fade away  
As you're trying to forget me  
Take my heart and walk away  
Like you wish you never met me

Like you wish you never met me  
Like you wish you never met me  
Like you wish you never met me  
Do you wish you never met me?
