I know what i did  
cause if you're my friend  
ive lied to you this far

im no one to trust  
ive got a brand new pen  
and i drink too much

there i was like a holy lantern  
i was held up bright but  
i was held up battered  
you know, you know, you know ill burn out soon

there you were like sunday mass  
all the boring little hymns that'll never pass  
you know, you know, you know...

dont go to bed in the garden  
ive been throwing apples away  
when no ones awake

there i was like the devils mouth  
with a terrible lie that i want to announce  
you know, you know, you know ill burn out soon

there you were like a broken lamb  
you're eyes, they shut not to open again until  
you know, you know that i've burnt through

dont go to bed in the garden  
ive been throwing apples away  
when no ones awake  
dont make your bed in the garden  
ill be planting flowers all may ay ay

"someone here has seen the culprit!"  
someone here has found me out  
"someone here has seen the culprit!!!!"  
"no one here is getting out!!!!!!!"

dont go to bed in the garden  
ive been throwing apples away

when no ones awake  
dont make your bed in the garden  
ill be planting flowers all may

until my pitchfork breaks  
until my pitchfork breaks  
until my pitchfork breaks
