Home. Here with your family  
Home. To hell with the rest.  
I knew you were crazy  
But never thought you would do this.

Blood. There's blood on the carpet.  
Blood. There's blood on your hands.  
If the two are connected  
I don't know where we stand.

Bluebird don't sing that song  
No one wants to sing along.  
We're all so scared of dieing.  
Bluebird don't fly to far  
I wonder where you are when I  
I get so scared of dieing.

You. Caught in the middle.  
You. Cut to the core.  
Your left in the dust of decisions  
Begging for more.

Now you're high and you're low  
Be careful don't swallow your tongue.  
Just put an ear to the ground where you did it.  
Wait for them to come.

Bluebird don't sing that song.  
No one wants to sing along.  
We're all so scared of dieing.  
Bluebird don't fly too far  
I wonder where you are when I  
When I get so scared of  
So scared of.

Bluebird don't sing that song.  
No one wants to sing along.  
We're all so scared of dieing.  
Bluebird don't fly too far  
I wonder where you are when I  
I get so scared of dieing.
