You see baby
I wonder how you been lately
It seems like you been waiting
So it's only right that I get to hold you tonight

Hey yo, I met a lot of women in my lifetime
Usually get rid of them then reminisce and write
rhymes
I need that right kind
Some say I'm out of my right mind, I say I'm quite fine
Just cautious about this life of mine
Though I like me a nice behind
I try to hold back
Learning more from thinking with my brain than my
boesack
But when I go where the hoes at -halleluja- it just
explodes
Pope Dawg, and a lot of Buddha
Some up the nose and some amarula
I get my groove on
Raising a toast to moe's newborn
Later bring my date to the futon
Here we go, turn the lights down low, bump the stereo

We can do whatever girl I won't I tell
We can even take it to the motel
Nobody's got to know
We can keep it on the low
Proper hoe
You look proper but I know you're dirty
I won't say nothing don't you worry
We can keep it on the low
Nobody's got to know
Proper hoe

Time for some action
Get in the middle of a grind climaxing
And every bit of the behind that I'm waxing
Is like fitted design that gets me triggered
So I spit a few lines
And she's mine, I ain't lying

I go the whole nine
Maybe even go down low; put on a show just for old
times
Drilling the hole like a goldmine (wow)
About to go blind
Shaking from her toes through her whole spine
Just let it go that's no crime
I'm just glad I move you
Now maybe you can holla at junior
Show me some of them manoeuvres you know so well
Don't be scared girl I ain't gon tell

We can do whatever girl I won't I tell
We can even take it to the motel
Nobody's got to know
We can keep it on the low
Proper hoe
You look proper but I know you're dirty
I won't say nothing, don't you worry
We can keep it on the low
Nobody's got to know
Proper hoe

Proper proper hoe, come to papa
Let me get to know ya
Where I'm from we do things properly
Shorty let me show ya
No ones got to know about the freak in you besides me
Now who say's just coz you proper we can't keep it dirty

Yo you shouldn't get attached to me
Just coz we got it on boogie in a rhapsody
You heard that Vagabond is pretty?
Yo, but actually that's not a fact
That's crap so if youre timid let this bachelor be
Get out the backseat
Tell a proper hoe to come in
Coz matter factly me and mine is soldiers in sin
You wanna spin let's go
See this has been on the low
See my grin
Shit it's just so you know
Oohhh

We can do whatever girl I won't I tell
We can even take it to the motel
Nobody's got to know
We can keep it on the low
Proper hoe
You look proper but I know you're dirty
I won't say nothing don't you worry

We can keep it on the low
Nobody's got to know
Proper hoe
