"Tomorrow"

Visit "[Tomorrow](#)" on MotoLyrics.com

I'm gonna do it all tomorrow
Tomorrow that'll be the day
So if you need me tomorrow
You might find me while i'm going bout my way.

Yo I get up, put my drawers on slow-mo action
It's a fine day, smiling at my lady what's happenin
Yo perhaps we should kick ahead, tickle and giggle
and guess again
always spliffin, put that shit in the air
(Then disappear)
Thats quality time, playin with this dolly of mine
Keepin it solid with a bottle of wine
We design a mo'bettah life, never forget it
We get it right cuz were both bein' incredible tight
And its like, a shagalightnin cuz livin and lovin bring
the excitement
Im sick of this fuzzing and fighting
(So allright then)
Just keep it cool
Knowing the evil that people do we'll be better off
sleepin like fools
(So we role up another one)
Keepin our focus, I fought a shelf just like the broke
and the wealth,
For another son
(I see a whole world come and dawn)
Keepin a reefer in my lungs cuz livin is easy where I'm
from

I'm gon' do it all tomorrow
Tomorrow that'll be the day
So if you need me tomorrow
You might find me while i'm going bout my way.
But today, I'm just gonna take it easy
I aint gon' do a thing at all
See, I'm just happy to be breathin
While Im lying next to my babydoll!

See all in all it's a nice world, just in the wrong hands
And there's sumthin that's not for all of us just follow

the plan
And thats why we party and dance, poison our bodies
Keep doin wrong, makin money makin songs about it
(And that's all)
We wake up nervshaky as fuck
We make a break for the necessaris, papers and so
Got a mouth ful of Japp, best tapin' it shut.
Cuz yesterday just might have wasted my guts
Close all the windows and doors
I aint 'bout to let the fuckin phone ring anymore
Thats a thing thats fo shoe, I aint in
Stayin indoors, nothing here exist
Fuckin skin feel like ten four, roughin up my wrist
This is justice, I know there's a part of me that deserves
this
But right now I'm trusting these pills to give me service,
shit
I need a purpose to lock my way
I need a lot but just not today

I'm gon' do it all tomorrow
Tomorrow that'll be the day
So if you need me tomorrow
You might find me while i'm going bout my way.
But today, Im'm just gonna take it easy
I aint gon' do a thing at all
See, I'm just happy to be breathin
While Im lying next to my babydoll

Sometimes I think I gotta watch it
I kick it so much I might get stupid
In Autriche, I'm thinkin my head's writing my music
See, if the shoe fits I gotta use it and its smooth,
But then the truth is it's on the news
And now it's cool to as lucky as to do what I do
I know I'm blessed, why the rest of ya'll aint doin it to?
I never guessed it eitherway, needless to say,
So I think I'll take it easy today

(X2)

Today's the day we do what we wanna man
Lean back and catch the cool marijuana thing
Just let your mind go cruise away
Just listen while the music play

I'm gon' do it all tomorrow
Tomorrow that'll be the day
So if you need me tomorrow
You might find me while i'm going bout my way.
But today, Im'm just gonna take it easy
I aint gon' do a thing at all

See, I'm just happy to be breathin
While Im lying next to my babbdoll!

While Im lying next to my babydoll...
