All alone  
I have tried to  
write a few words to you  
all alone  
I have tried to  
Live with the pain

I wonder now  
Are you alone  
Is somebody with you  
I wonder now  
How can I go on  
when you're not around

refrain:  
night after night I am waiting for someone  
I'm calling you day after day after day  
Can't you hear me

Tell me now  
How can you be strong  
When somebody needs you  
Tell me now  
Where do I belong  
Can't find my way home  
I run away  
Away from the storm  
Turn around  
See the hills  
See the sky  
See the sun

Refrain

I can't believe  
Is it true  
This paperback story  
I can't believe  
Is it true  
That you are gone

Refrain x2

Night after night after night  
Day after day after day  
Night after night after night  
Day after day after day
