[Movie Sample]

You can't even sit on a beach for 20 minutes  
Without running for cover, without dying from cancer  
How the hell you gonna build pyramids?  
Don't you realize your foreparents lied to you  
Your rabbi's lied to you  
That you stoled the land of Israel  
Just like you stoled America  
Just like you stoled Russia  
Just like you stoled the moon

[Chorus - Hell Razah]

Whether you +Like It or Not+ (x4)  
We gonna go in '99, whether you +Like It or Not+  
We gonna go in 2000, whether you +Like It or Not+  
Whether you +Like It or Not+  
Sunz of Man, stay hot, whether you +Like It or Not+

[Interlude - Baghdad]

All units come, all units come in  
The suspect is in sight, do not try to apprehend him  
alone  
He is armed and dangerous, I repeat  
He is armed and dangerous

[Chorus - Hell Razah]

Brooklyn'll shoot a cop, whether you +Like It or Not+  
We put work on ya block, whether you +Like It or Not+  
Fortune 5000, whether you +Like It or Not+  
We tell the truth to the youth, whether you +Like It or  
Not+  
Ya girl is fuckin' me tonight, whether you +Like It or  
Not+  
Armageddon soon to hit, whether you +Like It or Not+  
Armageddon soon to hit, whether you +Like It or Not+  
We drop jewels on the regular, whether you +Like It or  
Not+  
What, what, fuck y'all, whether you +Like It or Not+  
Fuck what ya niggas think, whether you +Like It or Not+

[Hell Razah]

Fuck 5-0, we hot, while ya Black Tahoe's  
Wit wild priminals that'll die for the dough  
Nine blows from the guns of these Brooklyn bravo's  
Shows how Mexico eatin' taco's  
Blowin' hydro rolled up in gold Fronto  
My team hittin' hard like we Denver Broncos  
Rap Picasso bury niggas in the pothole  
Die slow, let 'em bleed to death til' his eyes close  
Stop flows like a river dam, up in Amsterdam  
Hell Razah, Sun of Man, seen the promissed land  
Like the Pope John the Third, it's the Ku Klux Klan  
My mind being catscanned, lookin' at ya glance  
We see through your evil, if you ain't Hebrew  
Women like the way I entice it, so they can tease you  
Superstars ain't God, cuz ya niggas bleed too  
Never ever bite the hand that extend to feed you  
Out the darkness, is my light gonna lead you  
You ain't nothin' but a piece of meat I sink my teeth  
through

[Chorus - Hell Razah]

Yeah, yeah, whether you +Like It or Not+  
Hell Razah stay hot, whether you +Like It or Not+  
We gonna take the Earth back, whether you +Like It or  
Not+  
We get money in the bank, whether you +Like It or  
Not+  
We puttin' records in the store, whether you +Like It or

[Interlude - Baghdad]

The perpetrators are sighted on the Brooklyn Bridge  
We need a roadblock at the Flatbush extension  
The perp has increased his arsenal  
So please, proceed wit caution

[Baghdad]

It's signa, signor, Tray Bag, I'm loc'd dolo  
From Toronto, I'm a hot jalapeno  
Dusty hoes I grip in my Derango  
Holy wit my hailo, as my sombrero  
Lay low wit the lizards, on camels cross rivers  
When the snake quivers, my AK delivers  
Senoritas wit margeritas, defeaters and millimeters  
Niggas couldn't read us even wit encylopedias  
Brooklyn amigos, trees from Montego  
+Ghetto Government+, sluggin it from El Dianco

[Prodigal Sunn]

Come meet the young Kamikaze  
Watch eighteen slugs bust through ya body  
But how you think a Bacardi drinker, stop wit the trigger  
slinger  
Brooklyn brigade, black blaze and bloody days  
Strap wit grenade, sluggin' my way through drug raids  
I love to get paid, movin' like a shadow in shade  
Never affraid, my teammates don't go renegade  
It's Sweet Assassin, keep my morals pure, mentally  
fastered  
Everlasted move wit passion, when I'm blastin'  
Ready for war, son I gotta settle the score  
For better or more, my mom and father granted me  
strong

[Chorus - Hell Razah]

Yeah, yeah, whether you +Like It or Not+  
I be wit ghetto +Ghetto Government+, whether you  
+Like It or Not+  
We be them wild criminals, whether you +Like It or

Not+

[Interlude - Baghdad]

Mayday, mayday  
The suspect has formed an alliance wit the +Ghetto

Government+  
Retreat, I repeat retreat  
We are not going, on the nearest hill  
We need to back out

[Outro - Hell Razah]
