When the time has to come...I'm gonna call your name
I know its time you want, get it, its the day when we
celebrate
LA-DY

Stay close to me, cause I wanna see
wanna see the color of the blue eyes baby
this is the night, when you see the light
of the fire burning in my heart for you big love

Celabrate, meditate this anniversary
Lets dedicate to love, this magic moment
You know this magic time is bringing peace and love
We gotta live the biggest emotion

Celabrate, meditate this anniversary
Lets dedicate to love, this magic moment
You know this magic time is bringing peace and love
We gotta live the biggest emotion
