Can't stop fallin' in love
Can't stop fallin' in love
Can't stop fallin' in love

My life meant nothing to me
then a guy like you came along.
Everything's movin' so fast,
I gotta get my feet on the ground.

Everyday's a long one cause I can always be with you.
Lying in your arms, day by day, makes me feel all so
brand new.

Can't stop fallin' in love. (can't stop fallin' in love)
Baby, you'll be king. (baby, you'll be king)
Makin' love with you is all I wanna do. (wanna do)

Say you love me, baby.
Say you will always be mine.
You'll never break my heart, no.

Can't stop fallin' in love (can't stop fallin' in love)
Give your heart and soul. (give your heart and soul)
Stay with me this time, and we'll be history. (you and
me)
