I'm waiting for the timing that when you call me
I've never thought that I would real feel so alone
I fly away my troubles that I wanna lose
But sometimes to believe in love

The key you are to open up my soul wooooh
I can't resist my heart can't breathe
Looking for your eyes in the night

I'm crazy for you
I'm crazy for you
I'm feeling I'm burning to the fire
What can I do? I'm crazy for you

I'm crazy for you
I'm crazy for you
I'm losing my heart into the fire
What can I do? I'm crazy ~~ I'm crazy for you
