Don't stand so  
Don't stand so  
Don't stand so close to me

Baby you belong to me  
Yes you do, yes you do  
You're my affection  
I can make a woman cry  
Yes I do, yes I do  
I will be good

You're like a cruel device  
Your blood is cold like ice  
Poison for my veins  
I'm breaking my chains  
One look and you can kill  
My pain is now your thrill  
Your love is for me

I say, try me  
Take a chance on emotions  
For now and ever  
Close to your heart  
I say, try me  
Take a chance on my passion  
We'll be together  
All the time

I say, try me  
Take a chance on emotions  
For now and ever  
Into my heart  
I say, try me  
Take a chance on my passion  
We'll be together  
Till the morning light

Don't stand so  
Don't stand so  
Don't stand so close to me
