Romeo and Juliet
Nothing can change my world
Me and you, love

I wanna stay with you tonight
Baby, baby I need you every time
Love is on me and I wanna say
Miss me, baby, and tell me you are my love

And now you give me all your love
And be the part of me, let's get it on
I love you like you love it
And now I give you my heart

Romeo and Juliet
Forever and together, I love you babe
Romeo and Juliet
Don't stand it now to please come true

Romeo and Juliet
Forever and together, I love you babe
Romeo and Juliet
Nothing can change my world
Me and you, love
