tora tora tora
aiyai what a perfect sound
as a secret password
ready ready ready
aiyai ready to take off
in the night we're leaving

looking for the target
waiting for the fatal moment
i can't wait to hear that message on the radio
friday night is coming
everybody's starving
hungry for music
hungry for rhythm

tora tora tora, this is the new slogan
tora tora tora, it's like a thunder
tora tora tora, waiting for the command
tora tora tora, we'll scream it together

tora tora tora
aiyai ready to depart
to have fight and glory
danger danger danger
aiyai danger over you
listen to the DJ

looking for the target
waiting for the fatal moment
i can't wait to hear that message on the radio
friday night is coming
everybody's starving
hungry for music
hungry for rhythm

tora tora tora, this is the new slogan
tora tora tora, it's like a thunder
tora tora tora, waiting for the command
tora tora tora, we'll scream it together
