I have blisters and bad eyes
So you can choose the way we fall
And cherish it all,
And I watched the world die
And I watched you get overwhelmed,
You're under worthed, you're second best
And all signs point to yes,
You are sold,

It's all for the fallen angel,
What makes you act so afraid,
If I was there I'd die for your honour angel,
What makes you act so ashamed,
I won't give up, I won't give in
But it's not my war,
But I'll carry all your weight
Just past the sad lines

One match light is all we're burning but
Are you listening cause I want all your time

Or is it all for the fallen angel
What makes you act so afraid,
If I was there I'd die for your honour angel,
What makes you act so ashamed,
I won't give up, I won't give in
But it's not my war
But I'll carry all your weight
Just past the sad lines,

Because I, because I,
Because I have blisters and bad eyes
But you will be the one who falls
And I want you to stay
One last time, one last purpose, one last time,
I want you to whimper, what are you waiting for
Whimper, what are you waiting for

It's all for the fallen angel,
What makes you act so afraid,
If I was there I'd die for your honour angel,

What makes you act so ashamed,
I won't give up, I won't give in
But it's not my war,
But I'll carry all your weight
Just past the sad lines alone
