(Whoa-oh-oah,

Whoa-oh-oah)

Well I tried to fake it,

Baby I tried to break it,

But that's some kind of spell you got over me.

You're a heavenly vision,

Gonna make it my mission,

Do whatever it takes to get you with me.

Everywhere I go,

Yeah, no one else I know,

Shines as bright as you in my telescope.

I tried to let it fade,

But I can't get away,

I really hope you're listening, 'cause I never thought
I would say-ay-ay.

I can't help myself from falling in love,

From falling in love with you yeah-yea

I can't help myself,

From taking the drug,

From taking the drug

It's you, yeah-yea.

It happens every time,
Can't get you off my mind,
And anybody else,
Better wait in line.
I can't help myself,
From falling in love,
From falling in love
With you yeah-yea.
Every time you come calling,
Didn't think I'd be falling,
Never thought it'd be you I would always need.
Love was something to run from,
I was always the last one,
That everyone thought would be in this dream.
Everywhere I go,
Yeah, no one else I know,
Shines as bright as you in my telescope.
I tried to let it fade,
But I can't get away,
I really hope you're listening, 'cause I never thought
I would say-ay-ay.
I can't help myself from falling in love,
From falling in love with you yeah-yea
I can't help myself,
From taking the drug,
From taking the drug

It's you, yeah-yea.

It happens every time,

Can't get you off my mind,

And anybody else,

Better wait in line.

I can't help myself,

From falling in love,

From falling in love

With you yeah-yea.

They told me "Son, you'll be addicted."

You stole a kiss,

And now I see it.

You're in my veins,

And I can feel it,

Taking over me-e-e.

I can't help myself,

From falling in love,

From falling in love

With you yeah-yea.

I can't help myself,

From taking the drug,

From taking the drug

It's you, yeah-yea.

It happens every time,

Can't get you off my mind,

And anybody else,

Better wait in line.

I can't help myself,

From falling in love,

From falling in love

With you yeah-yea.
