Jesus I come to You
In my heart I bow my knee
Jesus, please take my heart
In it make Your home in me
I believe, Jesus You are God
And You died for me
I believe, Lord You rose again
From my sin You set me free to live again
I turn away from my sin Lord
And turn to You, to You
I thank You for saving me Lord
Lord have Your way in me
By Your spirit draw me near
I have the faith to see
Jesus You can save me here
Surely Your mercy has saved me, delivered me
You gave Your life now Im Yours
Evermore take me
