I've been beaten down,
I've been kicked around,
But she takes it all for me.
And I lost my faith,
In my darkest days,
But she makes me want to believe.

They call her love, love, love, love, love.
They call her love, love, love, love, love.
She is love, and she is all I need.

Well I had my ways,
They were all in vain,
And she waited patiently.
It was all the same,
All my pride and shame,
And she put me on my feet.
They call her love, love, love, love, love.
They call her love, love, love, love, love.
They call her love, love, love, love, love.
She is love, and she is all I need.

And when that world slows down, dear,
And when those stars burn out, here,
Oh she'll be here.
Yes she'll be here.

They call her love, love, love, love, love.
They call her love, love, love, love, love.
They call her love, love, love, love, love.
They call her love, love, love, love, love.
She is love, and she is all I need.
She is love, and she is all I need.
She is love, and she is all I need.

She's all I need.
