I've been beaten down  
I've been kicked around  
But she takes it all for me  
And I lost my faith  
In my darkest days  
But she makes me want to believe  
They call her love, love, love, love, love  
They call her love, love, love, love, love  
She is love  
And she is all i need  
She's all i need  
Well i had my ways  
And they were all in vain

And she waited patiently  
It was all the same  
All my pride and shame,  
But she put me on my feet  
They call her love, love, love, love, love  
They call her love, love, love, love, love  
She is love  
And she is all i need  
She is love  
And she is all i need  
She is love  
And she is all i need
