Visit "[Shepherd](#)" on MotoLyrics.com

Lord, when I hear Your call
Deep within my spirit cries
Yes I will follow
Lord, when I start to walk
Through that narrow gate I cry
Yes I will follow
And in the valley of shadows
No evil will I fear

You are the Shepherd of my heart
I will trust You
And I go wherever You lead me
Safe in Your arms I'll be alright
How I love You
And I go wherever You lead me, lead me

The Lord is my Shepherd I shall not want
He maketh me lie down in pastures green
