Well I go house to house and knock on every door,
I take down all the walls and stairs of every floor,
Just to figure out, oh what we're fighting for
And all I can do,
Is sit and let the air speak for you

Cause when words meet heartbeats
Baby C'mon
You know it's not even fair
And I'm first round, knocked down (baby) the floor
You know I'm already there
And the sun sets are, and the moon is full
Cause when words meet heartbeats
Baby you'll know

We're the saddest now
There's nothing more to gain
And it isn't right if I can't run away...
Because it kills the moon
When there's nothing left to say
And all I can do,
Is sit and let the air speak for you...

Cause when words meet heartbeats
Baby C'mon
You know it's not even fair
And I'm first round, knocked down (baby) the floor
You know I'm already there
And the sun sets are, and the moon is full
Cause when words meet heartbeats
Baby you'll know

I'm not too tired, I'm not too tired to know what you're
doing
And I'm not too tired, I'm not too tired to sing
And I'm not too tired, not too tired to know what you're
doing (with me)

Cause when words meet heartbeats
Baby C'mon
You know it's not even fair
And I'm first round, knocked down (baby) the floor

You know I'm already there
And the sun sets are, and the moon is full
Cause when words meet heartbeats
Oh when words meet heartbeats
Oh when words meet heartbeats
Baby you'll know
