Verse 1 [SIAN / JESSICA]

I'm just a girl, that's all you wanna see I'm no superstar,
how could I be?

I'm just a girl, what do I know, or could I ever see?
But I got more up my sleeve, than you would think

Bridge [BIANCA]

I know that you want me, know you want me bad
But you have to impress me, if I was your girl

Chorus [ALL]

I'm just a girl, but a girl that'll never be
Just a girl, a girl that'll now never be
Never be your girl!..lalalalalalala (repeated)

Verse 2 [BIANCA]

Think I'm dependant on your silly ways
You're disillusioned, act so unattainable
You got that superstar fever, changing overnight

Bridge [BIANCA]

Now you want me back baby, know that you want me
bad
But you have to impress me, if I was your girl

Chorus [ALL]

I'm just a girl, but a girl that'll never be
Just a girl, a girl that'll now never be
Never be your girl!..lalalalalalala (repeated)

Middle Eight [BIANCA / JESSICA]

It's too late, to say you're sorry
You should've never ever treated me like I'm just
another girl
If you wanna be with me, terms and conditions apply,
you see
Impress me if I was your girl

Chorus [SIAN/BIANCA]

I'm just a girl, but a girl that'll never be
Just a girl, a girl that'll never be

Chorus [ALL]
Never be your girl, never be your girl
Oh I'll never be your girl
Lalalalalala (repeated)
Oh I'll never be your girl
