Verse 1 [SIAN / BIANCA]

You think, I'm a little addicted
And I'm just one of your women
That always plays love games
I'm not the same, you got me wrong

You are kinda like an appetiser
No you're kinda like McGuiver
A stunt man filling in for a few good men
You can't handle the truth

Chorus [ALL]

You're not that cute, don't flatter yourself
I'm just passing time and you'll do just fine
Til something else, comes along

All I want is (boys, boys, boys)
Hit the town and we're making some noise
You think you're Mr Right
But you're Mr Right now, Mr Right now, Mr Right now

Verse 2 [SIAN/BIANCA]

You think that you're such a sex pistol
You want to fire off a missile
But now it's time to shoot you down
Your head is in the clouds, you're on a ride

Each day your ego gets a little bigger
You even went and got a Twitter
But who would want to follow you, you're not as cool
As you are in the mirror

Chorus [ALL]

You're not that cute, don't flatter yourself
I'm just passing time and you'll do just fine
Til something else, comes along

All I want is (boys, boys, boys)
Hit the town and making some noise
You think you're Mr Right
But you're Mr Right now, Mr Right now, Mr Right now

You're not that cute, don't flatter yourself
I'm just passing time and you'll do just fine
Til something else, comes along
All I want is (boys, boys, boys)
Hit the town and making some noise,
You think you're Mr Right
But you're Mr Right now, Mr Right Now, Mr Right Now
