Verse 1 [BIANCA]

So glad you're finally home
But your phone rings, say you gotta go
Go oh oh oh, I'm in love with a rolling stone

You come back with apologies
But the food's cold, and I'm asleep
Oh oh oh I'm in love with a rolling stone

Bridge [BIANCA]

How can we build a home If you're never there?
Don't keep me hanging on
If you don't care
Why you keep running?
Why you keep running?
Why you keep running?

Chorus [ALL]

Left in the crowd
The music's too loud
Feel like I'm living with a rokstar
Feel like I'm living with a rokstar

Heart beats alone
While you sing your song
Feel like I'm living with rokstar
Feels like I'm living with a rokstar

Verse 2 [JESSICA]

My Birthday, it slipped your mind
You're busy so preoccupied
Oh oh oh I'm in love with a rolling stone

I'm on time but you're always late
I held strong but I'm about to break
Oh oh oh I'm in love with a rolling stone

Bridge [JESSICA]

How can we build a home if you're never there?
Don't keep me hanging on
If you don't care

Why you keep running?
Why you keep running?
Why you keep running?

Chorus [ALL]
Left in the crowd
The music's too loud
Feel like I'm living with a rokstar
Feel like I'm living with a rokstar

Heart beats alone
While you sing your song
Feel like I'm living with rokstar
Feel like I'm living with a rokstar

Oh oh
Feels like I'm living with a rokstar
Oh oh
I swear I'm living with a rokstar

Left in the crowd
The music's too loud
Feel like I'm living with a rokstar
Feel like I'm living with a rokstar

Heart beats alone
While you sing your song
Feel like I'm living with rokstar
Feel like I'm living with a rokstar
Feels like I'm living with a rokstar
Feels like I'm living with a rokstar
