Verse 1 [JESSICA]

Boom boom, who just walked into the room, room  
Got everybody's eyes on zoom, zoom  
And my name ring bells like ding dong

Everywhere I go go  
I'm a superhero walking in slow-mo  
You know I even got my own theme song

Bridge [ALL]

Nanananana (we're taking off like) (we're getting  
down like) (getting high like)  
Let's go

Chorus [ALL]

We looking like stars in here  
Let's light it up  
The bass is hitting hard in here  
Let's light it up  
We looking like stars in here  
Let's light it up, light it up, light it up

We looking like stars in here  
Let's light it up  
The bass is hitting hard in here  
Let's light it up  
We know the night is ours in here  
Let's light it up, light it up, light it up

Verse 2 [JESSICA]

Bang bang, guess who's doing their thing thing  
All them other girls so damn plain, swing swing  
Knock em out the air like King Kong

Drop it down real low low  
Bring it back up like a yo yo  
They don't know, DJ bring back my theme song

Bridge [ALL]

Nanananana (we're taking off like) (we're getting  
down like) (getting high like)

Let's go

Chorus [ALL]

We looking like stars in here

Let's light it up

The bass is hitting hard in here

Let's light it up

We looking like stars in here

Let's light it up, light it up, light it up

We looking like stars in here

Let's light it up

The bass is hitting hard in here

Let's light it up

We know the night is ours in here

Let's light it up, light it up, light it up

Boom boom

Light it up, bang bang

Boom boom

Light it up, bang bang

Boom boom

Light it up, bang bang

Light it up

We looking like stars in here

Let's light it up

The bass is hitting hard in here

Let's light it up

We looking like stars in here
