Verse 1 [SIAN]

I used to be scared but I need to do this
When I was on the floor, you pulled me through it
No spark, no fight, crying at a mirror
I forgot who I was, you made it clearer

Bridge [LAUREN]

I want everyone to know, we're just about to blow

[EMILY]

Shout it out, shout it out, shout it out
Yeah, lets shout it out, shout it out, shout it out

Chorus [BIANCA]

I wouldn't wanna be anywhere you're not If I'm sinking,
you're my rocket and you take me up
Yes you are, yes you are, yes you are, yes you are
Let's go as fast as we can like we'll never stop
You're the reason I fly, you're more than a lot
Yes you are, yes you are

Verse 2 [JESSICA]

I wanna stay forever in your arms
Being here with you, what more could I want
You're my rock, you're my home, in my space
I could be anywhere in the world, as long as you're the
place

Bridge [LAUREN]

I want everyone to know, we're just about to blow

[EMILY]

Shout it out, shout it out, shout it
Yeah, lets shout it out, shout it out, shout it out

Chorus [BIANCA]

I wouldn't wanna be anywhere you're not
If I'm sinking, you're my rocket and you take me up
Yes you are, yes you are, yes you are, yes you are
Let's go as fast as we can like we'll never stop
You're the reason I fly, you're more than a lot

Yes you are, yes you are

Middle Eight [BIANCA]

If you crash

If you fall

I will be there to hold you up again, fix it all

Close the door, I'll be watching it, watching it

Chorus [ALL]

I wouldn't wanna be anywhere you're not

If I'm sinking, you're my rocket and you take me up

Yes you are, yes you are, yes you are, yes you are

Let's go as fast as we can like we'll never stop

You're the reason I fly, you're more than a lot

Yes you are, yes you are
