Heart oh Heartbreaker...

Must have asked about an hour ago
Met a girl at the bar, would have never known
I said "Hey Kid, are you alone?"

And she, heard my question turned around
Brought her drink to the table and sat down
I said "This is all that I know..."

They call me Heartbreaker
I'm just a good neighbour
You share your sugar, I'll share my cream

You call me Heartbreaker
Heart, oh Heartbreaker
Baby, I could be your dream

She's playing hard to get
But I gotta say, I'm loving it
I said "Hey Kid, you wanna roll?"

And she, heard my question turned me down
So I smiled, said "I'd see you around"
She grabbed my hand and had to tell me...

That they...

They call her Heartbreaker
That little hell raiser
She is never what she seems

I call her Heartbreaker
Heart, oh Heartbreaker
Baby, I could be your dream

Yeah Baby, I could be your dream....

Come closer, keep me waiting, wanting more
Come closer, knocking on your bedroom door
Forget the world, never like you have before

Come closer...

Do they call you Heartbreaker?
Are you a hell raiser?
Are you ever what you...seem?

They call her Heartbreaker
That little hell raiser
She is never what she seems

I call her Heartbreaker
Heart, oh Heartbreaker
Baby, I could be your dream

Heart, oh Heartbreaker
Baby, I could be your dream

Baby, only in your dreams....
