"See The Light"

In your eyes I see your broken soul
and is nowhere for my spirit to go
see the light that burns inside of you
and I know could I be close to you

Into the darkness we can fly
Above the wings of your desire
I see the light
We flew for all the course of love
With you I just can get enough
I see the light

Into the darkness we can fly
Above the wings of your desire
I see the light
We flew for all the course of love
With you I just can get enough
I see the light

See the light
I see the light
I see the light

In your eyes I see your broken soul
and is nowhere for my spirit to go
see the light that burns inside of you
and I know could I be close to you

Into the darkness we can fly
Above the wings of your desire
I see the light
We flew for all the course of love
With you I just can get enough
I see the light

See the light
I see the light
I see the light
