Visit "[Who's My Bitch](#)" on [MotoLyrics.com](http://MotoLyrics.com)

L'amour est un oiseau rebelle  
Que nul ne peut apprivoiser,  
Et c'est bien en vain qu'on l'appelle,  
S'il lui convient de refuser!

Heard it from your friend that you was out last night  
Tried to get your hands on every (beep) in sight  
Talkin' 'bout your stuff and all the girls you tapped  
Now why'd you have to go and do a thing like that?

You think you're such a big man  
You think that you're the first one to see my uhhhh?  
To feel my uhh...  
Now boy you can kiss my ohhhh??

I'm not your bitch  
I'm not your hoe  
I've got your friends all knocking at my door  
I'll take my pick  
Even your chick  
I even heard your momma wanted some of this  
So if you think  
That you're the shit  
You better check cuz I was faking it  
Oh yes I did  
I always did

Now who's my...

Girlfriends always told me  
That you would not last  
You gave them all your numbers  
But they won't call back  
Silly boys they play together  
Crazy girls, we stick together  
Everybody say whatever  
If you know somebody like that?

You think you're such a big man  
You think that you're the first one to pull my huh..  
Look at my?

Now how are you gonna handle all that?  
Oh please boy (Oh)

I'm not your bitch  
I'm not your hoe  
I've got your friends all knocking at my door  
I'll take my pick  
Even your chick  
I even heard your momma wanted some of this  
So if you think  
That you're the shit  
You better check cuz I was faking it  
Oh yes I did  
umm umm umm  
I always did

Now who's my bitch?

I can't stand how this guys keep acting  
Now I'm real sorry if it seems cold  
Giving chances, and chance, and chances  
Now ladies show them how it goes!  
Put him out just like a little dog

I'm not your bitch  
I'm not your hoe  
I've got your friends all knocking at my door  
I'll take my pick  
Even your chick  
I even heard your momma wanted some of this  
So if you think  
That you're the shit  
You better check cuz I was faking it  
Oh yes I did  
umm umm umm  
I always did

Now who's my bitch?
