Get of my back - Don't bother me  
Don't really want you around don't you see  
The wrong you have done can't be reversed  
You're poison to my soul  
The season of trust you have betrayed  
Damage cannot be undone it's too late  
Won't change my mind - No place to hide  
You cannot avoid your fate  
[Bridge]  
I will track you down  
Vindication shall be done  
[Chorus]  
Eye for an eye  
Life for a life  
Vengeance shall be mine  
Eye for an eye  
Tooth for tooth  
A life for a life  
The nightmare won't end - you'll pay for your lies  
Don't turn your back or get ready to die  
No mercy for you - I will not let loose  
You won't escape my wrath  
Time's on my side - In darkness I wait  
The light of the moon a flash of the blade  
Can't change my mind - No place to hide  
No way to avoid your fate
