Santa claus missed in action
My cunt is craving for distraction
Hey you're such a clever dick
A pensive mood a merry lick
Everytime I feel the spirit
Everytime you give me love
Nail me to the christmas tree
Srew your love into my heart
And you look into my eyes
And i think into your sighs
And you look into my eyes
And i sink into your sighs
Santa claus killed in action
And you do not lose attraction
Hey you're a relentless girl
A silent mood a merry world
Everytime I feel the spirit...
