Now it's time dance and time to pray
Move close to me and here what I say
Its torture time my little child
So follow me into the night
Let me drag you down
Let me kiss your neck
Please don't be afraid I'll show
Things you wont forget
Now it's too late
I bite I suck I empty you
There's no escape
You have to follow me into
Into the empire of the vampire
Where dreams turn into fright
Into a land called transsylvania
Where life begins at night
A flood of blood is rushing over
The dead are on their way to nowhere
You try to hide you try to run
But this nightmare now has just begun
