To be driven away  
On a darkened sea  
That's my point of view  
To the dawn of my life  
And I feel shelter  
From the depth of your heart  
Yes I feel shelter  
But something strange unwraps my soul  
Heaven comes and heaven goes  
A feeling rises and then glows  
You're so different from my own  
You've left me standing here alone  
Is it real is it fantasy  
Is it faith is it mystery  
All day long  
I'm lost in a dream  
Lost in the beauty of a daydream  
And I feel shelter...
