How long did we sit here last night  
How deep have I been drowning  
Was it all just sweet blood  
And unconscienceness  
The sweet taste of red wine  
Your numb tongue close to mine  
How long did we sit here last night  
Seconds like eternity  
Poison in your brain  
You so close to me  
Both of us so close to death  
I never wanted this  
But this was what Ive been  
Waiting for all my life  
For all my life  
And this is what I'll be  
Waiting for all my life  
For all my life
