Santa claus missed in action  
My cunt is craving for distraction  
Hey you're such a clever dick  
A pensive mood a merry lick  
Everytime I feel the spirit  
Everytime you give me love  
Nail me to the christmas tree  
Srew your love into my heart  
And you look into my eyes  
And i think into your sighs  
And you look into my eyes  
And i sink into your sighs  
Santa claus killed in action  
And you do not lose attraction  
Hey you're a relentless girl  
A silent mood a merry world  
Everytime I feel the spirit...
