Thank you for being
such a friend to me
Oh I pray a friend for life
and have I ever told you
how much you mean to me
Oh you mean so much to me

I'm thinking all the time
how to tell you what I feel
I'm contemplating phrases
I'm gazing at eternity
I'm floating in serenity
and I am so lost for words
and I as so overwhelmed

Please don't go just yet
Can you stay a moment please
We can dance together
We can dance forever,
under your stars tonight
We'll live and breathe this dream

Close your eyes,
but don't dream too deep
And please pass me some memories
And when I fall your underneath
1000 broken hearts
Carried by 1000 broken wings
1000 broken wings
