I settle down  
A twisted up frown  
Disguised as a smile, well,  
You would have never known  
I had it all but not what I wanted  
'Cause hope for me was a place uncharted  
And overgrown

You'd make your way in  
I'd resist you just like this  
You can't tell me to feel  
The truth never set me free  
So I did it myself

You can't be to careful anymore  
When all that is waiting for you  
Won't come any closer  
You've got to reach a little  
More  
More  
More  
More, more

Open your eyes like I opened mine  
It's only the real world  
A life you will never know  
Shifting your weight to throw off the pain  
Well you can ignore it  
But only for so long

You look like I did  
You resist me just like this  
You can't tell me to heal  
And it hurts remembering how it felt to shut down

You can't be to careful anymore  
When all that is waiting for you  
Won't come any closer  
You've got to reach a little  
More  
More  
More

More, More

The truth never set me free  
The truth never set me free  
The truth never set me free  
So I'll do it myself

You can't be to careful anymore  
When all that is waiting for you  
Won't come any closer  
You've got to reach out  
Can't be to careful anymore  
When all that is waiting for you  
Won't come any closer  
You've got to reach out  
More  
More  
More  
More, More
