I got a lot to say to you
Well I got a lot to say
I noticed your eyes are always glued to me
Keeping them here and it make no sense at all.

Well they taped over your mouth
Scribbled out the truth with their lies
Your little spies
They taped over your mouth
Scribbled out the truth
With their lies their little spies.
Crush... crush.... crush.... 1! 2! 3! 4!

Nothing compares to a quiet evening alone
Just the one two I was counting on
That never happens I guess im dreaming again
Lets be more than, this.

If you wanna play it like a game
Come on come on lets play
Cause I rather waste my life
Pretending than have to forget you
For one whole minute.

They taped over your mouth
Scribbled out the truth with their lies
Your little spies
They taped over your mouth
Scribbled out the truth
With their lies their little spies.

Crush... crush.... crush.... 1! 2! 3! 4!

Nothing compares to a quiet evening alone
Just the one two I was counting on
That never happens I guess im dreaming again
Lets be more than, this.

Rock 'n' roll baby
Don't you know that we're alone now
I need something to sing about

Rock 'n' roll, hey!
Don't you know that we're alone now
I need something to sing about
Rock 'n' roll, hey!
Don't you know baby we're all alone now
Give me something to sing about

Nothing compares to a quiet evening alone
Just the one two I was counting on
That never happens I guess im dreaming again
Lets be more than, this.
Nothing compares to a quiet evening alone
Just the one two I was counting on
That never happens I guess im dreaming again
Lets be more than, this.

Ohh, ohh, ohh
