I'm caught dancing with a liar
You said you could never behave
I thought you could take me higher
I know things will never ever change

Will you walk with me through this
Will you talk to me through this
Cause I love you but I hate you
I want you but I don't so it's over

Across the room, across the room
Fevered this love affair
Across the room, across the room
My heart is

I'm caught, you're caught, we're caught
Dancing with a liar
I'm caught, you're caught, we're caught
Dancing

Tangled feelings of knowing you
Tell me I could just come clean
Never wanted to fall for you
This phase I have claimed obscene

Will you walk with me through this
Will you talk to me through this
Cause love you but I hate you
I want you but I don't so it's over

Across the room, across the room
Fevered this love affair
Across the room, across the room
My heart is all I bare (2x)

I'm caught, you're caught, we're caught, dancing with a
liar

Woah(2x)
Across the room (2x)

I'm caught, you're caught, we're caught
Dancing with a liar
I'm caught you're caught we're caught
Dancing
My heart is all I bare (4x)
(Yeah)
I'm caught you're caught we're caught dancing with a
liar
