Living in a city of sleepless people  
Who all know the limits  
And won't go too far  
Outside the lines  
Cause they're out of their minds

I wanna get out and build my own home  
On a street where reality is not much different  
From dreams I've had  
A dream is all I have...

Daydreaming  
Daydreaming all the time  
Daydreaming  
Daydreaming into the night  
And I'm alright

Creep past the hours  
Like the shorter hand on the clock  
Hanging on a wall  
Of a schoolhouse somewhere  
We wait for the bell  
And we dream of somewhere else

Daydreaming  
Daydreaming all the time  
Daydreaming  
Daydreaming into the night  
And I'm alright

It's not that I won't remember where I'm from  
Just don't wanna be here no more  
It's not enough  
We're only half alive  
I'm gonna go  
We're only half alive  
Where the rest of the dreams go

Where the dreamers go...

Daydreaming

Daydreaming all the time  
Daydreaming  
Daydreaming into the night  
And I'm alright

Daydreaming  
Daydreaming all the time  
Daydreaming  
Daydreaming we used to be half alive  
Now I'm alright
