I think we have an emergency  
I think we have an emergency

If you thought I'd leave then you were wrong  
'Cause I won't stop holding on  
So are you listening, so are you watching me  
If you thought I'd leave then you were wrong  
'Cause I won't stop holding on  
This is an emergency, so are you listening

And I can't pretend that I don't see this  
It's really not your fault,  
And no one cares to talk about it,  
To talk about it

'Cause I've seen love die  
Way too many times  
When it deserved to be alive  
And I've seen you cry  
Way too many times  
When you deserve to be alive, alive

So you give up every chance you get  
Just to feel new again  
I think we have an emergency  
I think we have an emergency

And you do your best to show me love,  
But you don't know what love is  
So are you listening, so are you watching me

Well I can't pretend that I don't see this  
It's really not your fault,  
And no one cares to talk about it, to talk about it

'Cause I've seen love die,  
Way too many times,  
When it deserved to be alive  
And I've seen you cry,  
Way too many times,  
When you deserve to be alive, alive

Scars they will not fade away,  
And no one cares to talk about it, to talk about it

'Cause I've seen love die,  
Way too many times,  
When it deserved to be alive  
And I've seen you cry,  
Way too many times,  
When you deserve to be alive, alive
