"Here is Monster"

You were my conscience, so solid now you're like water
And we started drowning, not like we'd sink any
farther.

But I let my heart go, it's somewhere down at the
bottom.

But I'll get a new one, and come back for the hope that
you've stolen.

I'll stop the whole world, I'll stop the whole world
From turning into a monster, and eating us alive
Don't you ever wonder how we survive?
Well now that your gone, the world is ours.

I'm only human, I've got a skeleton in me
but I'm not the villain, despite what
you're always preaching.
Call me a traitor, I'm just collecting your victims
they're getting stronger
I hear them calling.

I'll stop the whole world, I'll stop the whole world
From turning into a monster, and eating us alive
Don't you ever wonder how we survive?
Well now that your gone, the world is
ours.

Well you thought of straight big solutions
But I liked the tension
And not always knowing the answers
Well You're gonna lose it
You're gonna lose it

I'll stop the whole world, I'll stop the whole world
From turning into a monster, eating us alive
Don't you ever wonder how we
survive?
Well now that your gone, the world

I'll stop the whole world, I'll stop the whole world, from
turning into a monster and eating us alive
Don't you ever wonder how we survive

Well now that you've gone
The world is ours
