Things are looking up, oh, finally  
I thought I'd never see the day when you smile at me  
We always pull through, oh, when we try  
I'm always wrong but you're never right  
Oh, you're never right

Honestly, can you believe we crossed  
The world while it's asleep?  
I'd never trade it in 'cause I've always wanted this  
And it's not a dream anymore, no, oh, oh, oh  
It's not a dream anymore, it's worth fighting for

Could have given up so easily  
I was a few cheap shots away from the end of me  
Taken for granted, 'most everything  
That I would have died for just yesterday, just  
yesterday

Honestly, can you believe we crossed  
The world while it's asleep?  
I'd never trade it in 'cause I've always wanted this  
And it's not a dream anymore, no, oh, oh, oh  
It's not a dream anymore, it's worth fighting for  
God knows the world doesn't need another band  
Whoa, oh, oh, whoa, oh, oh  
But what a waste it would've been  
Whoa, oh, oh, whoa, oh, oh

I can't believe we almost have give up  
Whoa, oh, oh, whoa, oh, oh  
We're just getting started  
Whoa, oh, oh, whoa, oh, oh

Honestly, can you believe we crossed  
The world while it's asleep?  
I'd never trade it in 'cause I've always wanted this  
And it's not a dream anymore, no, oh, oh, oh  
It's not a dream anymore, no, oh  
It's not a dream anymore, no, oh, oh, oh  
It's not a dream anymore, it's worth fighting for

I can't believe we almost have give up

Whoa, oh, oh, whoa, oh, oh  
We're just getting started  
Whoa, oh, oh, whoa, oh, oh

I can't believe we almost have give up  
Whoa, oh, oh, whoa, oh, oh  
We're just getting started, we're just getting started
