

## Paramore "Misery Buisness"

Visit "[Misery Buisness](#)" on [MotoLyrics.com](http://MotoLyrics.com)

I'm in the business of misery  
Let's take it from the top  
She's got a body like an hourglass  
That's ticking like a clock

It's a matter of time  
Before we all run out  
When I thought he was mine  
She caught him by the mouth

I waited eight long months  
She finally set him free  
I told him I can't lie  
He was the only one for me

Two weeks and we caught on fire  
She's got it out for me  
But I wear the biggest smile

Whoa, I never meant to brag  
But I got him where I want him now  
Whoa, it was never my intention to brag  
To steal it all away from you now

But God, does it feel so good  
'Cause I got him where I want him now  
And if you could then you know you would  
'Cause God, it just feels so  
It just feels so good

Second chances they don't ever matter  
People never change  
Once a whore, you're nothing more  
I'm sorry, that'll never change

And about forgiveness  
We're both supposed to have exchanged  
I'm sorry honey but I'm passing up  
Now look this way

Well there's a million other girls  
Who do it just like you

Looking as innocent as possible  
To get to who

They want and what they like  
It's easy if you do it right  
Well I refuse, I refuse, I refuse

Whoa, I never meant to brag  
But I got him where I want him now  
Whoa, it was never my intention to brag  
To steal it all away from you now

But God, does it feel so good  
'Cause I got him where I want him now  
And if you could then you know you would  
'Cause God, it just feels so  
It just feels so good

I watched his wildest dreams come true  
And not one of them involving you  
Just watch my wildest dreams come true  
Not one of them involving

Whoa, I never meant to brag  
But I got him where I want him now

Whoa, I never meant to brag  
But I got him where I want him now  
Whoa, it was never my intention to brag  
To steal it all away from you now

But God, does it feel so good  
'Cause I got him where I want him now  
And if you could then you know you would  
'Cause God, it just feels so  
It just feels so good
