I'm in the business of misery
Let's take it from the top
She's got a body like an hourglass
That's ticking like a clock

It's a matter of time
Before we all run out
When I thought he was mine
She caught him by the mouth

I waited eight long months
She finally set him free
I told him I can't lie
He was the only one for me

Two weeks and we caught on fire
She's got it out for me
But I wear the biggest smile

Whoa, I never meant to brag
But I got him where I want him now
Whoa, it was never my intention to brag
To steal it all away from you now

But God, does it feel so good
'Cause I got him where I want him now
And if you could then you know you would
'Cause God, it just feels so
It just feels so good

Second chances they don't ever matter
People never change
Once a whore, you're nothing more
I'm sorry, that'll never change

And about forgiveness
We're both supposed to have exchanged
I'm sorry honey but I'm passing up
Now look this way

Well there's a million other girls

Who do it just like you
Looking as innocent as possible
To get to who

They want and what they like
It's easy if you do it right
Well I refuse, I refuse, I refuse

Whoa, I never meant to brag
But I got him where I want him now
Whoa, it was never my intention to brag
To steal it all away from you now

But God, does it feel so good
'Cause I got him where I want him now
And if you could then you know you would
'Cause God, it just feels so
It just feels so good

I watched his wildest dreams come true
And not one of them involving you
Just watch my wildest dreams come true
Not one of them involving

Whoa, I never meant to brag
But I got him where I want him now

Whoa, I never meant to brag
But I got him where I want him now
Whoa, it was never my intention to brag
To steal it all away from you now

But God, does it feel so good
'Cause I got him where I want him now
And if you could then you know you would
'Cause God, it just feels so
It just feels so good
