Maybe if my heart stops beating  
It won't hurt this much  
And never will I have to answer  
Again to anyone

Please don't get me wrong

Because I'll never let this go  
But I can't find the words to tell you  
I don't want to be alone  
But now I feel like I don't know you

One day you'll get sick of  
Saying that everything's alright  
And by then I'm sure I'll be pretending  
Just like I am tonight  
Please don't get me wrong

Because I'll never let this go  
But I can't find the words to tell you  
I don't want to be alone  
But now I feel like I don't know you

Let this go, let this go

But I'll never let this go  
But I can't find the words to tell you  
I don't want to be alone  
But now I feel like I don't know you

I'll never let this go  
I can't find the words to tell you  
That now I feel like I don't know you
